[Jan. 6th - Can we start organizing ride shares for people going to DC?](#)

posted 4 hours ago by [YouShallKnow84](#) +32 / -0

Anyone driving from Southern California? I'd love to go but have no transportation, would love to contribute gas money in exchange for a ride if anyone has room in their RV or something.

Post where you are if you have space for fellow pedes or if you're a pede in search of a ride.

A million is rookie numbers, we need to pump those numbers up

We are already doing things like this for each state. I'm going to find the post for California and post it as a reply to this comment.

Okay, I couldn't find the post for California. Here was my post for WA. In this same group, we have organization for a caravan from California to DC, and back.

Just follow the same directions, but instead of joining the Washington state chat room, join California.

I really doubt anyone will respond to random people on the internet for something like this.

what? lol antifa would NEVER try to infiltrate a MAGA caravan to D.C., we'd sniff them out in an hour and give them the right and left hands of fellowship lol...

You're a demoralization bot, I ALREADY have several people reaching out about rides. You can't stop this shill hahahah

Jesus I hope not. It's Christmastime I would hate for them to get within arms reach of me and get hurt.
